

Dear Colleagues

As we know that Society for Conservation of Domestic Animal Biodiversity(**SOCDAB**) in collaboration with ICAR-National Bureau of Animal Genetic Resources (NBAGR), Karnal is organizing the **XVI National Symposium on "Animal Genetic Resources for Food and Social Security"** at ICAR-NBAGR, Karnal on **7-8 February, 2019**.

Since, many of the researchers still want to send their abstracts and requested for extension of abstract submission date, the Organizing Committee has decided to **extend the date for submission of Research Abstract (including "Young Scientist Award") upto 15.01.2019**.

You may send the abstract to us through email :socdab2019@gmail.com

Brochure, in original, is also attached for further information.

Extended date for submission of abstracts/Young scientist award paper: 15th January, 2019.

With warm regards& Happy New Year

Organizing Committee
